

Jefferson County Immunization Coalition

Starting an Immunization Coalition

Jefferson County is starting an Immunization Coalition.

The first Jefferson County Immunization Coalition meeting will be on Tuesday, April 28th at noon at the Jefferson County Health Department located at 1541 Annex Road, Jefferson, WI 53549. The meeting will be located in the conference room on the second floor.

Treats and beverages will be provided.

Agenda will be posted on the coalition website at www.co.jefferson.wi.us/jc/public/jchome.php?page_id=180

by April 21st, 2009.

There will be a Dane County Immunization Coalition Representative available at this meeting.

Who We Are...

We are Bachelor of Science Nursing students from Edgewood College in Madison, WI under Jennifer Weitzel, BSN, RN. We are in our final semester doing our Public Health Clinical at Jefferson County Health Department. We are passionate about creating awareness to the healthcare providers about immunization rates and information.
